Dear Prof. Kyoung Yong Jeong,

On behalf of Beijing Allergist Association (Branch of Beijing Medical Doctor Association), I would like to invite you to attend the Allergy School, which will be held in Beijing on Nov. 1st.

The Allergy School held by Beijing Allergy Association is one of the most important CME programs for allergists in China. It covers all the aspects of allergy. Many highly renowned experts in this field will be invited. This symposium proved to be a good opportunity for Chinese allergy clinicians and scientists to improve knowledge and promote communications.

With your great achievements in allergy, we would like to invite you to give a lecture on *House dust mite allergen*. Your lecture would be extremely attractive to the Chinese allergists!

Your scientific presentation is expected to be on Nov. 1st. The Lecture fee is 1000 USD, and we will afford you local traffic and accommodation (up to 3 nights).

I am looking forward to seeing you in Beijing!

Best regards,
